

# COLOURS. CHEER.

**Fronts in bright tones** add a splash of colour and guarantee good moods all round.

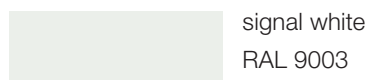

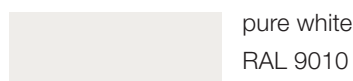

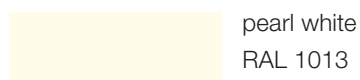

**An easy decision.** Which colour creates the right atmosphere in the room – a subtle pastel shade or trendy and bright? With a choice of 22 colours selected as standard by the expert consultants at FF Co. Ltd., the ideal tone for everyone is sure to be there.

**For special requests** and favourite colours, however, we would also be pleased to flip through the colour sample cards from RAL, NCS or Pantone and provide you with an individual offer.

## Standard colours

(also available as body and plinth colours)

## F(l)avoured colours

## NEW colours

Due to differences in print, colours of products may appear different to those shown in the catalogue.
